RE: DUKAS, Helen

~~CONFIDENTIAL~~

1. REASON FOR INVESTIGATION: Investigation is being conducted in compliance with communication from Headquarters 66th CIC Detachment, Subject and file as above, dated 30 Nov 50. The US Immigration and Naturalization Service is considering an investigation of SUBJECT for possible revocation of his citizenship. Helen DUKAS, who may have been SUBJECT's secretary prior to 1933, and who was reportedly brought to the US by SUBJECT, was reported to be in contact with Communists and suspected Soviet agents.

2. SYNOPSIS OF PREVIOUS INVESTIGATION: An FBI memorandum dated 23 Oct 50 mentions a Helen DUKAS, born 17 Oct 1896 at FREIBURG, Germany (French Zone) as having immigrated into the US from Bermuda in 1935. She reportedly was brought to the US by SUBJECT, and was later employed by him as secretary and housekeeper. DUKAS was reported to have corresponded during the early 1940's with Soviet agent Otto MATZ, and to have been acquainted with Mrs Netty MADVANYI, a refugee German Communist.

3. PRESENT INVESTIGATION: SUBJECT became director of the Kaiser-Wilhelm Institute for Physics in 1914. Coming from ZURICH, he registered at BERLIN-Dahlem, Ehrenbergstr 33. In 1915 he moved to BERLIN-Lichtenrade, Wittelsbacherstr 13. From 1919 until 1933 SUBJECT lived at BERLIN-Schoeneberg, Haberlandstr 5, fourth (German) floor. This street has been renumbered twice in the meantime. Both houses having had the number 5 were destroyed. One former renter of this building, (fau) TETZLAFF, BERLIN W 30, Bambergerstr 26, US Sector, stated that SUBJECT was on good terms with a family named AUERBACH. Lotte SCHIFFER, nee AUERBACH, now resides at 26 Ashford Court, LONDON N4 2. A former housekeeper of the AUERBACH family, Marie KULKOWSKI, about 70 years old, knows EINSTEIN quite well and is still receiving food packages from EINSTEIN. KULKOWSKI is allegedly living either in HOF (M51/0.99) or in the neighborhood of HOF. TETZLAFF stated that SUBJECT did not have an office in or outside of his apartment. The only offices he maintained, according to this source, were in the Kaiser-Wilhelm Institute for Physics and at the University of BERLIN.

4. Available files show only one Helene DUKAS, wine dealer at BERLIN W 8, Wilhelmstr 47 in 1929. This address is now located in the Soviet Sector of BERLIN.

5. UNDEVELOPED LEADS AND FUTURE ACTION:

a. A search is being made for former associates of SUBJECT and for former communist intellectuals who may have moved in SUBJECT's circle of acquaintances.

b. Attempts will be made to initiate discreet inquiries in the Soviet Sector regarding Helene DUKAS.

c. Efforts are being made to obtain more information regarding Lotte SCHIFFER and Marie KULKOWSKI.

1. REASON FOR INVESTIGATION: Investigation is being conducted in compliance with request from Headquarters, 66th CIC Detachment, to determine the identity of SUBJECT's pre-1933 secretary, and to determine the validity of allegations to the effect that SUBJECT and his secretary had been connected with a pre-1933 communist underground movement.

2. SYNOPSIS OF PREVIOUS INVESTIGATION:

a. Reference is made to AR, Region I, subject as above, file X-714, dated 13 March 1950. SUBJECT's pre-1933 secretary, a watchmaker's shop known as UHRENKLEB BERLIN, and a Kartonagenfabrik operated by Walter SCHAUERHAUSEN, BERLIN, used as telegram address for Comintern and Soviet apparatus.

b. Reference is made to AR, Region VIII, Subject and file numbers as above, dated 14 February 1951. SUBJECT, prior to 1933, had been on good terms with a family named AUERBACH. Lotte SCHIFFER, nee AUERBACH, now resides at 26 Ashford Court, LONDON NW 2. A former housekeeper of the AUERBACH family, Marie KULKOWSKI, knows SUBJECT quite well, still receives food packages from him, and is alleged to live in or near HQF (M51/099).

3. PRESENT INVESTIGATION: Efforts were made to obtain further information on Lotte SCHIFFER, nee AUERBACH, formerly residing in BERLIN-Schoeneberg, Haberlandstr 5, now residing in LONDON, England.

a. A search of police and official city records produced negative results. (B-2)

b. An investigation of the neighborhood showed that this area was bombed out during World War II. (B-2)

c. Interrogation of former residents of this area disclosed the existence of the former grocer of this area, Max KRUGER, born 5 February 1881, BERLIN W 30, Jannastr 2. An interview with KRUGER on 24 February 1951 disclosed that he knew Frau Marie AUERBACH, and her daughter Lotte. KRUGER praised the character of these two women but could not give any further information. For more detailed information, KRUGER referred the investigator to a former maid in the neighborhood, Frau Lora TETELAFF, nee BEISER, born 25 September 1880, residing in BERLIN.

4. During an interview on 25 February Frau TETZLAFF stated in substance as follows: Marie AUERBACH and her daughter Lotte moved into the neighborhood in 1912, Frau AUERBACH being divorced at this time. The maid of the AUERBACH family was Marie KULKOSKA. At this time the family was fairly wealthy but from 1912 to 1933, lost most of their possessions. In 1933 the AUERBACH's moved to Aschaffenerstr 9 where Frau AUERBACH opened a rooming house, which she operated until 1939. During this time Lotte AUERBACH married a Frau SCHIFFER, who resided in the vicinity of Prager Platz. Later Lotte immigrated to England with her husband. In 1933 Frau AUERBACH moved with her maid KULKOSKA to Landshuterstrasse 13, where the maid opened a rooming house. In 1940 Frau AUERBACH moved to Nymphenburgerstr (exact address not known). In 1941 Frau AUERBACH was arrested by the Gestapo and has not been heard of since. Frau TETZLAFF received the address of Lotte SCHIFFER from Frau KULKOSKA in 1945 and wrote her a letter but to date has received no answer. The address of Lotte SCHIFFER in 1945 was: Lotte SCHIFFER, LONDON NW2, Ashford Court 26, LONDON, England. During this interview Frau TETZLAFF claimed that the AUERBACH family were close friends of the Prof Albert EINSTEIN family and EINSTEIN's daughter and Lotte SCHIFFER grew up together until the EINSTEIN family moved to the United States. In German politics of the time, EINSTEIN's, Frau AUERBACH and Lotte SCHIFFER were anti-Nazis because of the persecution of the Jews. Though TETZLAFF did not know to which political parties the two families belonged, she claimed that Frau Marie AUERBACH was not pro-socialist and that both Lotte SCHIFFER and Prof EINSTEIN were left wing socialists and pro-Communist. Whether they were members of the then existing Communist Party was not known. (F-3)

4. A check on Marie KULKOSKI, age 70, former maid of AUERBACH family, yielded the following results:

a. The correct name of the former AUERBACH maid is Marie KULKOSKA. (F-2)

b. Police and City records check were negative. (B-2)

c. See paragraph 3d above for the residence of KULKOSKA from 1912 to 1941. TETZLAFF stated that she was visited by KULKOSKA in 1945, at which time KULKOSKA claimed she was residing in HOF with her sister, exact address not known. (F-2)

J. Edgar Hoover,  
FBI., Washington.

Dear Sir:

Readers Digest for May carries a story about Dr. Albert Einstein being a sweet simple harmless old genius who had been duped by radicals into permitting the use of his name as a supporter.

But this gentle old darling, so innocent and naive, was introduced to me as the brain that was setting up Hollywood in the Thirties for the big Communist push.

I had been story and advertising executive with David Wark Griffith pictures from 1919 into early thirties. Nearly all our laboratory men were bolsheviks, our head man having been summoned back to Russia to take charge of films there.

Our still photographer was a Russian named [redacted]. One of our second cameramen was [redacted] an open communist who went back and forth to Russia.

In early Thirties, I was executive head of story department at RKO studio. Among writers under me was [redacted].

One day [redacted] phoned asking me to call on him at Ambassador Hotel, the matter being most urgent.

I found he had a fashionable portrait studio in the lobby. When I asked what was the idea, and how could he afford such rent, he frankly said it was a front. Then he started a three-hour session explaining that the bolsheviks were going to take over here, and it was time for me to join. He had an exaggerated idea of my importance, and also had been impressed by a story in Colliers listing me among top three publicity men in nation ~~xxxxxx~~ when I was with Griffith. Others were [redacted] and [redacted].

He was trying to sell me on heading propaganda. I thought he was nuts for I was getting \$30,000 a year and going up every six months. After talking too long, he finally said: "Well, I can see that Dr. Einstein has got to take you in hand. He's the one that never fails with the big shots."

I wanted to know which Einstein, and he said THE Dr. Einstein of the theory. I thought he was joking, but he said come along. We went upstairs in the Ambassador and he knocked at a suite door, and Einstein answered. He said he was busy, but would see me next day. I got a glimpse into his rooms and I thought the man I saw there was Charlie Chaplin.

Going downstairs [redacted] told me that Einstein was organizing all the big studio figures, Schulberg at Paramount, stars like Redd Foxx, "alter" Huston, Hepburn etc, and all the leading directors and writers. He said: "We've got them in our hand, and the Dr. has never failed on one; give him an ~~unrecorded~~ ~~unrecorded~~ you."

Of course bolshevism then implicated such prestige as Communism does today. I was busy and ignored [redacted]. He phoned [redacted] and I excused, but several days later he was at the studio when

INDEXED 17

61-7099

2  
3  
4 I got through one day, asking me to ride.

5  
6 Then he calmly warned me that if I wanted to get ahead  
7 in Hollywood I had better play ball with him, that through Einstein  
8 they were getting control of every studio, and that if I didn't  
9 be sensible I might be through in Hollywood.

10  
11 At the time I had two offers from other studios in my  
12 pocket, and I said: "you are becoming a crackpot; you've  
13 got delusions about this bolshevik thing, and are really going  
14 haywire." b7C

15 But he said soberly: "Alright, I'm warning you as a  
16 friend; I don't like to see you get hurt and you would be valuable.  
17 If you change your mind, phone me."

18  
19 Within three weeks I was staggered to hear the writers  
20 had asked that I be discharged, that they couldn't get along with me.

21  
22 Later I had four contracts ~~later~~ cancelled after they had  
23 been signed, and I never ~~xx~~ was able to stay in a Hollywood studio  
24 more than a few weeks.

25  
26 Then a few years ago I found out what [REDACTED]  
27 was.

28  
29 Of course I know nothing about Einstein now, but he was  
30 no gentle old dupe then, and the top outfit in Hollywood was certainly  
31 not organized by the Russian photographers and film laboratory men.

32  
33 All this can be verified for [REDACTED] must have had a b7C  
34 lease at the Ambassador Hotel and Einstein's name must be on the  
35 register.

36  
37 I know this has no value now, nor can it be proved,  
38 but it is a pernicious thing that magazines should present Einstein  
39 as a sweet blundering old darling who is so easily misled by the  
40 naughty radicals. Certainly at that time he was one of the  
41 most dangerous and powerful figures in what has become the  
42 Communist movement, for [REDACTED] was in deadly earnest when he b7C  
43 talked with me.

ALBERT EINSTEIN [K-120]  
INTERNAL SECURITY - R

Reference is made to WFO memo dated June 18, 1953, requesting the Bureau to document [redacted] for the Newark Office. b2, b7D

Ref memo is not clear as to exactly which report [redacted] pertains and as to what information is available in WFO reports. Paragraph 2 of ref memo states that a particular report does not appear in a WFO file. Paragraph 3 of ref memo states that the same report appears in another WFO file. Therefore, if WFO has two files on the subject [redacted] the files should be reviewed in order to determine that all reports are appropriately filed in the proper file. b2, b7C, D

The Bureau file in the case entitled [redacted] National War Labor Board, Internal Security - Hatch Act, contains a report by SA [redacted] dated August 10, 1943, at Washington, D. C., WFO file [redacted] It is presumed that a documentation of [redacted] mentioned in this report is desired. The informant page of the report indicates that [redacted] are, "Sources from which this information was obtained as set out in Bureau memorandum dated May 26, 1943, entitled, [redacted] which contains summary material from a review of the Bureau's files." b2, b7C, D

Bureau memorandum dated May 26, 1943, on [redacted] a copy of which was furnished to WFO on June 9, 1943, does not reflect the source of the article appearing in the "New York Times" on March 19, 1940, which contains the information desired and which has been attributed to [redacted] It appears that [redacted] is a fictitious source made up by WFO for reportorial purposes in reporting the data in the August 10, 1943, report. In any event, this is public source material, and it would not appear that any documentation is necessary or desirable. It should be reported as information appearing in the "New York Times" on March 19, 1940, provided, of course, that the information does appear in the newspaper on that date. b2, b7C, D

MR. HERBERT BROWNELL  
ATTORNEY GENERAL OF THE UNITED STATES  
WASHINGTON 25 D. C.

DEAR MR. BROWNELL:

IN THE MATTER OF THE COMMUNIST FRONTER ALBERT EINSTEIN - I THINK  
IT LONG PAST DUE TO PROSECUTE THIS COMMUNIST FRONT TRAVELER AS  
BEING AN UNREGISTERED SPY AND AGENT OF THE COMMUNISTS.

HIS LETTER TODAY SUPPORTING THE COMMUNIST FRUENGLASS PROVES WITHOUT  
DOUBT THAT BOTH OF THESE BUMS ARE COMMUNISTS. FRUENGLASS HIDES  
BEHIND #5 - WHILE EINSTEIN MAKES IT CERTAIN THAT FRUENGLASS IS  
A COMMUNIST AGENT.

NOW THIS PUBLICITY HAS BEEN GIVEN IN THE NEWSPAPERS AND ON WOR  
IN NEW YORK - BUT IT DOES NOT STATE THAT QUALIFYING NECESSITY  
THAT EINSTEIN IS PRO-COMMUNIST - AND THAT WHEN HE SPEAKS HE  
SPEAKING AS A COMMUNIST FELLOW TRAVELER.

YOU KNOW ALSO THAT EINSTEIN IS NOT ALL THAT HE IS SUPPOSED TO  
BE - THERE ARE PLENTY OF BETTER PHYSICISTS AND MATHEMATICIANS WHO  
WILL TELL YOU THAT EINSTEIN IS DODDERING - AND SEEMS TO BE SENT  
ONLY ON THE FORTHERANCE OF THE COMMUNIST LIES IN THE SCIENTIFIC  
FIELDS. EINSTEIN IS A DISHONEST MAN.

I THINK IT IS TIME THAT EINSTEIN BE REQUIRED TO REGISTER AS A  
SOVIET AGENT -- AND I THINK IT IS ALSO TIME THAT ALL OF THESE  
PEOPLE WHO TAKE REFUGE BEHIND AMENOMENT FIVE BE REQUIRED TO  
REGISTER OF AND AS AGENTS OF COMMUNIST RUSSIA.

I THINK IT IS TIME TO REALIZE THAT WE HAVE BEEN UNDER ATTACK BY  
THE COMMUNISTS SINCE 1933 - AND I LEARNED ABOUT THEM IN 1923 -  
BUT LIKE OLD DOCTOR WARE - IN THOSE DAYS THERE WERE NO EARS FOR  
ANY WARNINGS - AND I URGE YOU AGAIN TO TAKE WARNING. COMMUNIST  
ARMIES ARE BEING BUILT UP IN BRITISH GUIANA, GUATEMALA, MONTERREY  
MEXICO, QUEBEC, CANADA --- WITH THE INTENTION OF ARMED ATTACK ON  
THE UNITED STATES.

I THINK IT TIME ALSO TO REALIZE THAT THE COMMUNISTS ARE BEING  
THE YOUNGSTERS - TEEN AGERS - HOW TO ATTACK --- THE STREET FIGHTS  
IN NEW YORK ARE COMMUNIST PROMOTED AND DOMINATED. WHO ELSE BUT A  
COMMUNIST WOULD SHOW THESE TEEN AGERS HOW TO MAKE AND USE A MOLOTOV  
COCKTAIL?

## Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI (16-7999)

DATE: August 1, 1953

FROM : SAC, Pittsburgh (105-478)

SUBJECT: ALBERT EINSTEIN  
INTERNAL SECURITY - R

Rebulet to New York, 7/14/53.

Paragraph eight of rebulet sets forth that Bureau files reflect that the "Narodni Kalendar," 1947 issue, was submitted by memo from Pittsburgh, dated June 6, 1947, entitled "Narodni Glasnik (National Herald), Internal Security - C." This paragraph further sets forth that page 51 of the "Narodni Kalendar" contains the heading "USA and USSR" by Professor ALBERT EINSTEIN, and that Bufiles indicated that "Narodni Kalendar" had been returned to Pittsburgh.

Pittsburgh was requested to furnish a copy of the data concerning ALBERT EINSTEIN to the New York Office with the source. This is to advise that a search of the Pittsburgh files fails to reflect that the above mentioned "Narodni Kalendar" has been returned to the Pittsburgh Office.

Records of Immigration and Naturalization Service, Washington, D. C., disclose HANS ALBERT EINSTEIN filed Declaration of Intention to become a citizen of the U. S. on 12/21/38 at Greenville, S. C. He was residing at 223 Randall St., Greenville, S. C., at the time.

These records contained a disposition dated 8/26/43 from Professor ALBERT EINSTEIN, 112 Mercer St., Princeton, N.J. EINSTEIN stated that HANS ALBERT EINSTEIN was his son whom he had known since his birth at Berne, Switzerland in 1904. Furthermore, that his son resided at Princeton, N.J., from 10/37 to 1/38 and again in 6/38. The son had been absent from the U. S. from 1/38 to 6/38 during which time he visited Switzerland.

Records of [REDACTED] another Government agency, disclosed HANS ALBERT EINSTEIN was born on 5/14/04 at Berne, Switzerland. On 4/12/46 he obtained a passport for proposed travel to Switzerland and to the British Isles on personal business. His permanent address at that time was listed as 1462 Blank St., Pasadena, Calif.

[REDACTED] whose reliability is not known, advised in April, 1949 that approximately five years previous, Professor ALBERT EINSTEIN was at the California Institute of Technology, Pasadena, Calif. Informant advised that EINSTEIN and his wife were greatly concerned over the fact that their son ALBERT EINSTEIN, JR., was in the Soviet Union and hence all of their actions were influenced as a result of their son's presence in Russia. Mrs. EINSTEIN was particularly concerned and was "scared to death" over the fact that he might possibly be held as a hostage to force some particular action on the part of Professor EINSTEIN. The informant subsequently advised that he was of the opinion that ALBERT EINSTEIN, JR., was a son of Professor EINSTEIN by a previous marriage and that the current Mrs. EINSTEIN was his second wife.

The Princetonian, a daily newspaper of the students at Princeton University dated 10/13/37, reported that according to the United Press in Hoboken, N.J., Dr. ALBERT EINSTEIN, age 33 arrived in the U. His occupation was listed as construction engineer at Zurich, Switzerland, and that he is one of two sons of ALBERT EINSTEIN, JR. This article further stated that Dr. EINSTEIN might bring his wife and two children to the U. S. for permanent residence.

another Government agency which conducts security and intelligence type investigations, per Army  
advised that information was received from a reliable source to the effect that prior to 1933 the Communist Internationale (Comintern) and other Soviet Apparatus were very active in gathering intelligence information in the Far East. Many International Communist functionaries were stationed in Shanghai and Canton for the purpose of gathering intelligence information. One means of communication used by these individuals to contact central headquarters in Moscow was through the use of telegrams. Such telegrams which were always coded were never sent directly to Moscow but were sent to agents in other countries such as Egypt and France where they were recopied and forwarded to telegram addresses or "drops" in Berlin. [REDACTED] one of these (C) addresses was the office of ALBERT EINSTEIN in Berlin which proved to be very successful since EINSTEIN received a great quantity of mail, telegrams, and cablegrams from all over the world (C) (S) (M)

OK per Army  
EINSTEIN's personal secretary, whose identity was not known, in turn gave the telegrams to a Soviet courier, whose duty was to pick up such mail from several telegram "drops". This information was then channeled by one means or another to Moscow (S) (M)

OK per Army  
This source advised that it was reported that EINSTEIN's Berlin Office employed at least two female secretaries, both of whom were Communist sympathizers. The exact period that EINSTEIN's office was used as an address for coded cables by Soviet intelligence was not known to the informant; however, EINSTEIN's cable address was already in action as of 1929. The reason for the use of EINSTEIN's cable address was due to the quantity of legal cable traffic at that address due to EINSTEIN's established international reputation, which provided a relative innocuous cover for illegal communications. The individual in EINSTEIN's Berlin Office

~~SECRET~~

through whom arrangements were made for the use of the cable address was EINSTEIN's chief secretary at the time. The identity and background of the secretary in question was not known to the informant. Informant advised that this individual was EINSTEIN's senior and private secretary at least during the period 1929 to 1931. The secretary was very closely associated with an international apparatus functionary of Soviet Russia. (S) u

The informant described the operation of the intelligence activities as follows: (S) u

An intelligence message was first transcribed into a prearranged Comintern or Soviet code. This message was then transcribed into a second code prior to the time it was transcribed in an approved internal cable code similar to that used by EINSTEIN. The informant was of the opinion that EINSTEIN used the most popular of codes developed in Germany, that of the Rudolph Mosse Publishing and Newspaper Firm. The double coded message was then dispatched to the EINSTEIN cable address. According to the informant, at EINSTEIN's office it was the duty of the senior secretary who was at that time in the employ of the Soviet Apparate, to decode all messages and give all messages to EINSTEIN for reading. Hence, this individual was in a position to intercept all messages which did not pertain to EINSTEIN and transmit them to the appropriate Soviet courier. (S) u

This courier or contact man responsible for liaison with EINSTEIN's Berlin Office, came directly to that office to pick up incoming cables for the apparatus. (S) u

(GERMAN)  
The informant advised that EINSTEIN's telegram address was for some time under the supervision and protection of one RICHARD GROSSKOFF, who at that time was in charge of the falsification of passports for the Soviet apparatus, and subsequently became Chief of the Berlin Criminal Police in the Soviet Sector in Berlin. Informant advised that in the past, GROSSKOFF had issued a fake passport to an alleged Swiss citizen, PAUL RUEGG, who was operating as an agent of the Comintern in the Far East and co-worker of the Soviet Apparate in China. At one time, RUEGG had a large amount of intelligence information and due to security reasons was forced to use EINSTEIN's address and another cover address to forward this information. RUEGG was later arrested by the Chinese police. (S) u

Another individual who acted as courier for EINSTEIN's telegram address was ALFRED KATTNER, Receptionist at the CP Central Committee Building in Berlin prior to 1933, who was contacted by an unlisted telephone when cables were not picked up promptly by the regular courier. Informant was aware of at least two or three occasions when KATTNER made the contact or pick up at EINSTEIN's address. *Position of person*

*OK per Army*

b1, b2, b7D [REDACTED] the informant advised that he was of the belief that EINSTEIN was unaware of the true nature of the correspondence which was channeled through his cable address from the Far East. Arrangements may possibly have been made through EINSTEIN's secretary without his knowledge. Informant pointed out that if EINSTEIN were aware of the use of his address from the beginning, the most logical approach to him in order to gain his approval for such activities would be to convince him that it was in the interests of "human rights." *(c) per Army letter dated 12/23/51 SP-4244/74 2/14/53*

*OK per Army*

Informant further advised that at least one incident occurred during the summer of 1930 which indicated EINSTEIN must have had some knowledge of the use of his cable address for purposes other than his own. At that time, EINSTEIN's private secretary had planned to go on a three or four week vacation and had been instructed to notify the Soviet courier in advance of the date of her departure so that arrangements could be made to intercept the Comintern cables before they were given to EINSTEIN. The private secretary left without informing the courier and no attempt was made by the courier to contact EINSTEIN personally. The only remaining alternative was to await the return of the secretary. When she returned from vacation several weeks later, all cables were turned over to her by EINSTEIN and there were no unpleasant repercussions. The use of the cable address by the Soviets continued as in the past. The informant was unaware as to whether EINSTEIN asked for an explanation from the secretary as to the use of his own cable address for activities not relating to his profession. Informant advised he had no further knowledge of facts which would indicate knowledge or lack of such on the part of EINSTEIN relative to the above operations. He stated that EINSTEIN was frequently active in supporting so-called "front groups", especially those relating to human rights or anti-Fascist activities. *(X) W*

[REDACTED] further reflect that the above (c) mentioned source, who was considered to be reliable, stated that it was common knowledge, especially in Berlin, that EINSTEIN sympathized with the Soviet Union to a great extent. EINSTEIN's Berlin staff of typists and secretaries was composed of individuals who were recommended to him (at his request) by individuals who were very close to a Communist cover organization known as The Klub Der Geistesarbeiter (Club of Scientists). This organization served as a source of personnel for various illegal Soviet Apparate. EINSTEIN was also closely associated with this club and was very friendly with several members who later became Soviet Agents. Also associated with this club as a student in the early 1930's was EMIL KLAUS FUCHS, who was later jailed and convicted in England for giving atomic bomb information to the Soviets. In addition, EINSTEIN was very friendly with several members of the Soviet Embassy in Berlin, some of whom were later executed in Moscow in 1935 and 1937. (S) u *disclosure by Army letter 12/24/51*

#### IV. ATTEMPTED COMMUNIST PARTY INFLUENCE

On page 243 of the book entitled "Men Without Faces" by LOUIS FRANCIS BUDENZ, a self-admitted former Communist and former Managing Editor of the Daily Worker, appears the following passage entitled "Capture of the Innocents":

"It is not with any relish that I cite DRALISER's pro-Red record, but it is essential to do so in order to stress the slick ways in which the Communists operate. They are now manipulating ALBERT EINSTEIN in much the same way; though occasionally he shows his independence, his name has frequently appeared on pro-Red lists. The latest is the very recent call for the Western Hemisphere Congress in which EINSTEIN joins LAWSON, RICHARD O. BOYER, who has publicly admitted his Communist membership, and other Reds in denunciation of this country and cheers for the Soviet Union. It is obvious that such internationally known names as DRALISER and EINSTEIN go far toward influencing lesser lights to sign up on pro-Red lists and that they also blunt the awareness of the American people of what is afoot."

The New York Daily Mirror, daily newspaper of New York City, dated 8/17/50, contained statements by LOUIS BUDENZ and quoted him with respect to the Cultural and Scientific Conference held in New York City in March 1949, as follows:

"Heading the list of those who sponsored and attended the Waldorf Astoria "Peace" session were THOMAS MANN and ALBERT EINSTEIN, neither a Communist. MANN is a novelist, long a warm defender of Moscow.

"The relationships with MANN and EINSTEIN were established by what the Communists called "remote control" while I was still part of the Red leadership. The manner of communication with MANN ran through associates of his daughter, LIKA; while with EINSTEIN, means of reaching him were set up at Princeton. In both instances, these men were persuaded to their pro-Communist stands by playing on their hatred of Nazism. This I know from what I heard mentioned in Politburo meetings. No more striking illustration could be found of the way well-known men and women of unquestionable integrity are deceived and exploited by the Communists."

Furthermore, that another scientist who was of assistance in the development of the bomb, namely, Dr. EINSTEIN, had been led to back those who favored the turning over of the Atom Bomb to Russia by other men who had persuaded him to affix his signature to certain proposals. V. AFFILIATION WITH COMMUNIST PARTY FRONT ORGANIZATIONS

It is noted that the Daily Worker referred to throughout this report is an East Coast Communist newspaper and further, that The Worker is the Sunday edition of the Daily Worker.

It is further noted that the Peoples Daily World is a West Coast Communist newspaper.

The Morning Freiheit, also referred to in this report, has been cited by the Special Committee on Un-American Activities Report 3/29/44, page 75, as one of the rankest organs of Communist propaganda in this country for almost a quarter of a century.

A. Abraham Lincoln Brigade (ALB)

This organization has been cited by the California Committee on Un-American Activities Report 1948, pages 93, 94 and 157, as a Communist front. It has also been cited by the Special Committee on Un-American Activities Report 3/29/44, page 146, as follows: "The CP was active in recruiting American boys for the so-called Abraham Lincoln Brigade in behalf of Loyalist Spain. EARL BROWDER, former National Chairman of the CP, USA, has boasted that 60 per cent of the Brigade was composed of CP members.

It is also noted that the Veterans of the Abraham Lincoln Brigade has been cited as a subversive and Communist organization by the Attorney General of the U. S. and as an organization coming within the purview of Executive Order 9835.

The New York Times, daily newspaper of New York City, dated 2/5/37, contained an article entitled, "EINSTEIN in Sympathy With Madrid Cause." According to this article

the Spanish Embassy on that date made public a message from EINSTEIN to "a prominent Spanish personality" declaring that he felt ashamed that the Democratic nations had failed to support the Loyalist Government of Spain.

The article stated in part that EINSTEIN remarked, "At this moment I can do nothing less than assure you how intimately united I feel with the Loyal Forces and with their heroic struggle in this great crisis of your country."

According to the Daily Worker of 10/1/38, in an article entitled "\$150,000 Fund to Bring Lincoln Boys Home's Opened," the national campaign committee of the Abraham Lincoln Brigade included EINSTEIN and other equally prominent national figures.

The Daily Worker dated 3/22/39 contained an article which stated in part that a fund campaign was launched by the Friends of the ALB. According to this article, among the most active supporters of the campaign to rehabilitate and provide medical care and attention for 180 seriously wounded Americans returned from the Spanish War included EINSTEIN and six other individuals.

[REDACTED] of unknown reliability, who was in a position to furnish such information, advised that a mimeographed letter dated 6/21/39, issued by the Friends of the ALB Rehabilitation Fund, Inc., 108 North Dearborn St., Chicago, Ill., contained a list of the sponsors of this organization. The name of EINSTEIN appeared on this list.

[REDACTED] Hills Reports, Inc., 205 West Monroe St., Chicago, Ill., made available a report on the ALB, 55 West 42 St., New York City in December 1940, wherein EINSTEIN appeared on a list of sponsors for this organization.
